On July 28, 1995, Adrian S. Amburgey filed a complaint against Kentucky Power Company ("Kentucky Power") alleging that he did not consume any electricity between February 2, 1995 and March 17, 1995 and, therefore, should not be responsible for any billings during that time.

Kentucky Power filed an answer which neither admitted nor denied the substance of the complaint but stated that the complainant's August 1995 bill would be credited for \$165.20, the amount billed during the time in question. Kentucky Power also requested that this case be dismissed based on its satisfaction of the complaint.

Based on the complaint and answer thereto, and being otherwise sufficiently advised, the Commission hereby finds that Kentucky Power has fully and completely satisfied the complaint and this case should be dismissed.

IT IS THEREFORE ORDERED that this case be and it hereby is dismissed as satisfied.
